

# AZ WCR Wants YOU!

It is that time of year, again, when we approach all of the state's members... including YOU... to get indications of interest for serving at the state level!

Stacey Krolak will automatically become our 2018 Arizona State President. On behalf of the 2017 Nominating Committee, I would like to let you know that we are now accepting applications for the 2018 President-Elect, Secretary, Treasurer and Governor roles at the State level. If you are interested in being considered for one of those roles, and/or have questions as to the responsibilities, they can be found in our governing documents on our website or you can contact me at [lyn.trayte@gmail.com](mailto:lyn.trayte@gmail.com) .

Being an officer at the State level has been a great experience, providing growth opportunities in both professional and volunteer relationships. Please feel free to contact me if you would like to explore what your options might be!

This year, as in the past, we in the State Level are still required by our ByLaws to choose a Slate of Officers from all the applicants, despite the changes in the Local Network election procedures. Those applicants not chosen to be among the Slated Officers are welcome to still put their names forward for any open position. At the August Governing Board Meeting every applicant, slated or otherwise, will have an opportunity to give a short presentation before the Membership with elections being held during the General Meeting. This process is the same as what is being done at the National Level.

The deadline to apply is August 1, 2017. All applicants must sign a Consent to Serve Form which I will be attaching to this email. It is also available on the State website at [www.arizonawcr.com](http://www.arizonawcr.com). Look below for the minimum job qualifications.

I look forward to hearing from you!
